SHORT COURSES 2014

JANUARY

The Truth about Sex and Sexuality Sat 18 - Sun 19 January
Confusion, shame or guilt about sexuality is not uncommon among Christians. Understanding the Dangers of Pornography Sat 25
The prevalence and strength of pornography has been increasing over the past forty years. Rising internet use has seen pornography viewing increase at an alarming rate. How do we deal with someone in our local church who confesses an addiction to pornography? What do we do if we suspect that a member of our family or someone close to us has a problem with it? Where and who do we go to for help if we are hooked? Pornography is a tool that the enemy uses to bring much guilt and shame into the lives of many men and woman, though it is rarely talked about in the church. It is something that can destroy marriages and make people feel unworthy to fulfil Gods call on their lives. This one day course will provide teaching on how pornography can become an addiction, and how we can minister into this area to bring wonderful freedom in the name of Jesus Christ. There will be opportunity for personal Ministry with complete confidentiality and the opportunity to ask any questions you may have.

Discovering Your True Identity Sat 15 & Sun 16 February **NEW!**
International Speakers David and Denise Cross
We often define ourselves in terms of our work, our role, or even by our relationships, but what if these were to change? Do we know who we would be then? The truth is that God has made each of us to be unique and special but, through the circumstances of our lives, our God-given identity can be crushed or distorted. This special weekend is an opportunity to see more clearly the particular ways in which we have lost the fullness of our personhood, and to find God's healing, so that we can walk in the confidence of who God has made each of us to be.
