This vital teaching looks at real issues facing both individual Christians and the whole Church today such as liberalism, the effects of ungodly cultures and fear through traumatic situations such as terrorism. The teaching points us back to the Cross and our need to seek first the Kingdom of God at all costs. These teachings will both encourage and challenge you in your personal and corporate walk with God!

**Reclaiming the Ground series (Peter Horrobin, International Founder and Director of Ellel Ministries)**

4 Sessions set on 4 CD's @ R180.00. This teaching provides essential teaching on Reclaiming the Ground and gives practical help on setting our land and buildings free from strongholds of the enemy. Scripture is clear that land can be defiled (Lev 18:27-28) and this defilement, if not dealt with, can significantly restrict the work of God.
